London, Canada | [zxie86@uwo.ca](mailto:zxie86@uwo.ca) | <http://publish.uwo.ca/~zxie86/>

## Education

---

**Western University – Bachelor of Computer Science** Sept 2019 - Apr 2022

1. Core Courses: Python, Java, Data Structure & Algorithms, Software tools (C & Unix), Data Analytics (VBA, Excel)

## Skills Summary

---

1. Great communication skills developed through group projects and an internship.
2. Team player and able to work independently which were demonstrated in past work.
3. Experienced in Front-End Web Application development: HTML, CSS, JavaScript, Bootstrap, Webpack, and Git.

## Work Experience

---

**Volunteer, Software Developer** May 2019 - Aug 2019  
*WeITPower Corporation | Toronto, ON*

1. Developed a perpetual calendar using HTML, CSS, JavaScript, Bootstrap, Photoshop, and Webpack. (URL: <http://weitpower.com/calendar/> )

**Intern, Server** May 2017- Dec 2017  
*Great Events Catering | Calgary, AB*

1. Used customer service and communication skills to satisfy customers with special diets, earning compliments from them at the banquets.
2. Prioritized tasks to ensure the customers received their meals in time, resulting in successful 900-people functions.

## Other Projects

---

1. Designed an app using Sketch for seniors to recognize the family members through a game in order to slow down the worsening of dementia symptoms at the SheHacks Hackathon. (URL: <https://devpost.com/software/memorwe> )
2. Built a website using KompoZer, Photoshop, and Shortcut, sharing my experience as a former hotel management student for the Multimedia course.

## Other Experience

---

**Western University** Sept 2018 - Nov 2018

1. Assisted with a music and dancing event, providing a memorable experience for people with disabilities at the Participation House during Orientation Week.

## **Zhiqi (Kelly) Xie**

London, Canada | [zxie86@uwo.ca](mailto:zxie86@uwo.ca) | <http://publish.uwo.ca/~zxie86/>

2. Distributed event schedules and materials to promote International Week with the result that more students were aware of it and attended the events to learn about different cultures.

### **YMCA Achievement Program**

Mar 2016

1. Communicated with the staff on behalf of an elderly participant who spoke only a Chinese dialect (Teochew dialect), which alleviated the concerns the senior home staff had for that tenant.
